

Dear Club President / Secretary / Coach

School Sport South Coast - Australian Football Trials **Information is now available!**

As part of our communication process we are seeking support from local clubs and associations to ensure that all eligible students are aware of appropriate School Sport South Coast – sport specific trial dates.

If you know of any children within your club that are:

- **Interested in trialling for a School Sport South Coast District or Regional team**
- **age appropriate**
- **have a high ability level**

please pass on this information and refer these children back to their School Sports Coordinator as soon as possible.

N.B. All nominations **must** go through the students' School Sports Coordinator. Any student who has not gone through the appropriate process will not be able / permitted to trial.

Information regarding all of the trials can be found following or on the School Sport South Coast website.
<https://Southcoastschoolsport.eq.edu.au>

Nomination Process

1. Students are to approach their School Sports Coordinator requesting to be considered to trial at the District trial.
2. The school sport coordinator will select the students that will represent their school and nominate them to the District trial convenor.
3. Once the student has been selected by the School Sports Coordinator the children are required to complete the appropriate paperwork *SSSC Permission & Details Booklet* (complete with Principal Approval and completed PCF)
4. Attend the respective District / Regional Trials (This is dependent on which school the child attends). This information can be found out from School Sports Coordinator / SSSC website

Reminder : Only students that have been through the correct process, completed the correct paperwork, and been selected for the District team are eligible to trial at the Regional trials.
